

Welche Gegenstände auf dem Bild haben mit Energie zu tun?
Male sie aus!

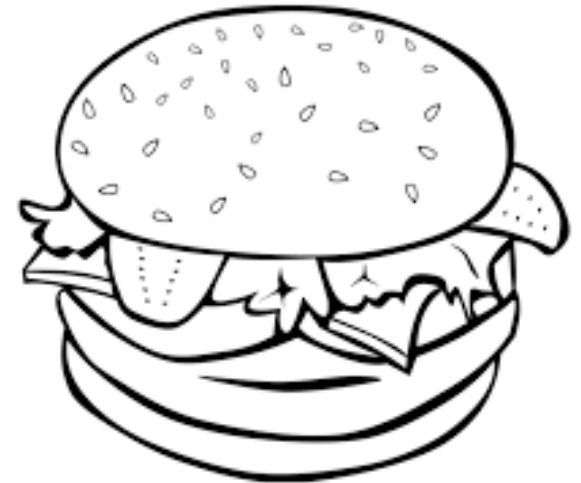

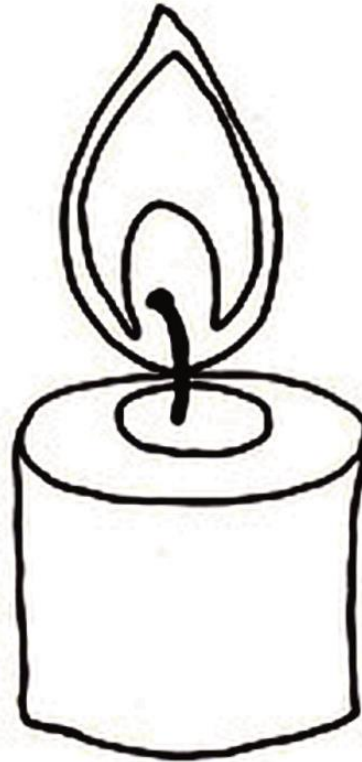

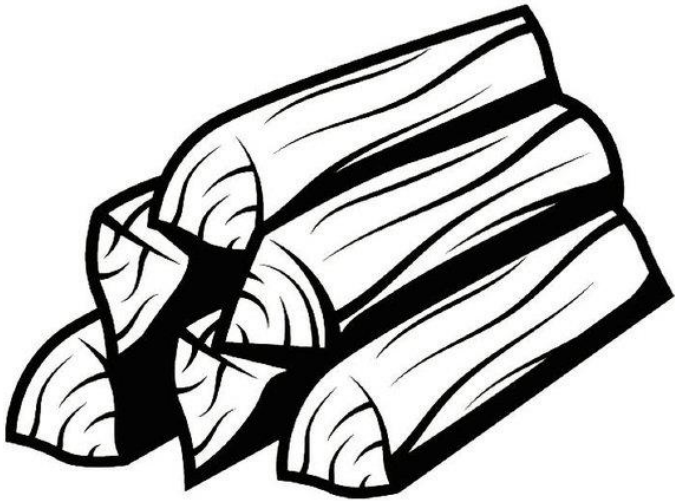

Weißt du auch, welche Energie die Geräte benötigen? Schreibe es auf!

Welcher Gegenstand?	Welche Energie braucht er?

Welcher Gegenstand?	Welche Energie braucht er?

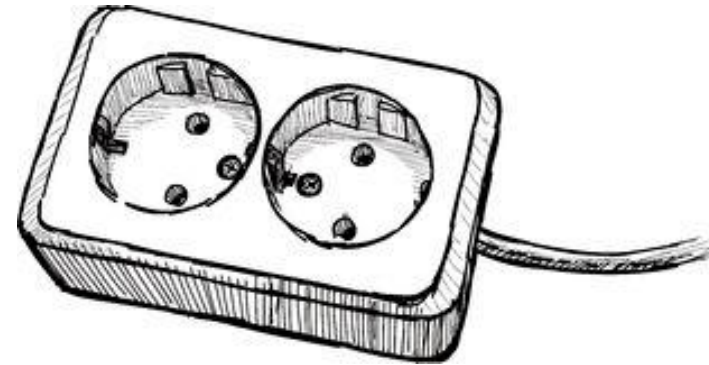

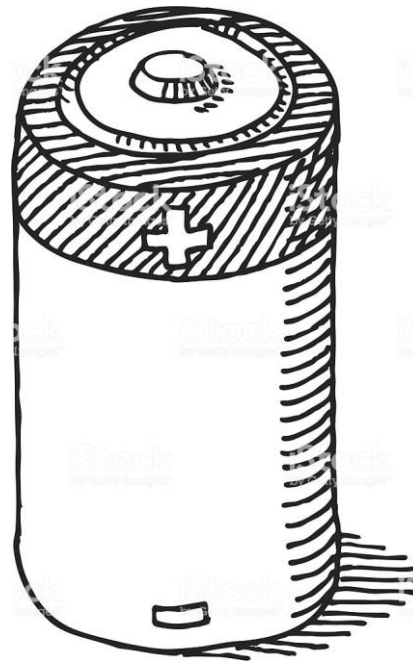

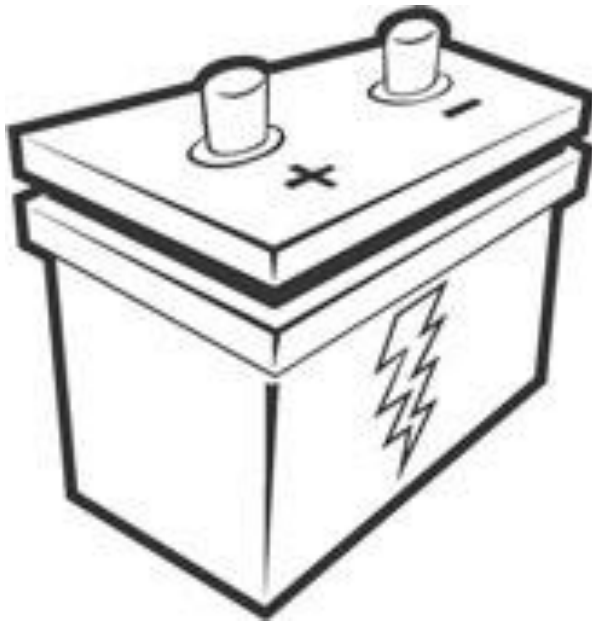

Chemische Energie

Alles, was „verbrannt“ wird

Elektrische Energie

Wird auch „Strom“ genannt

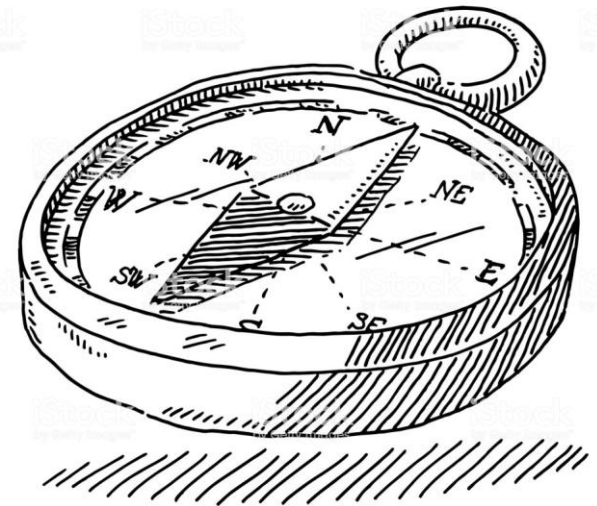

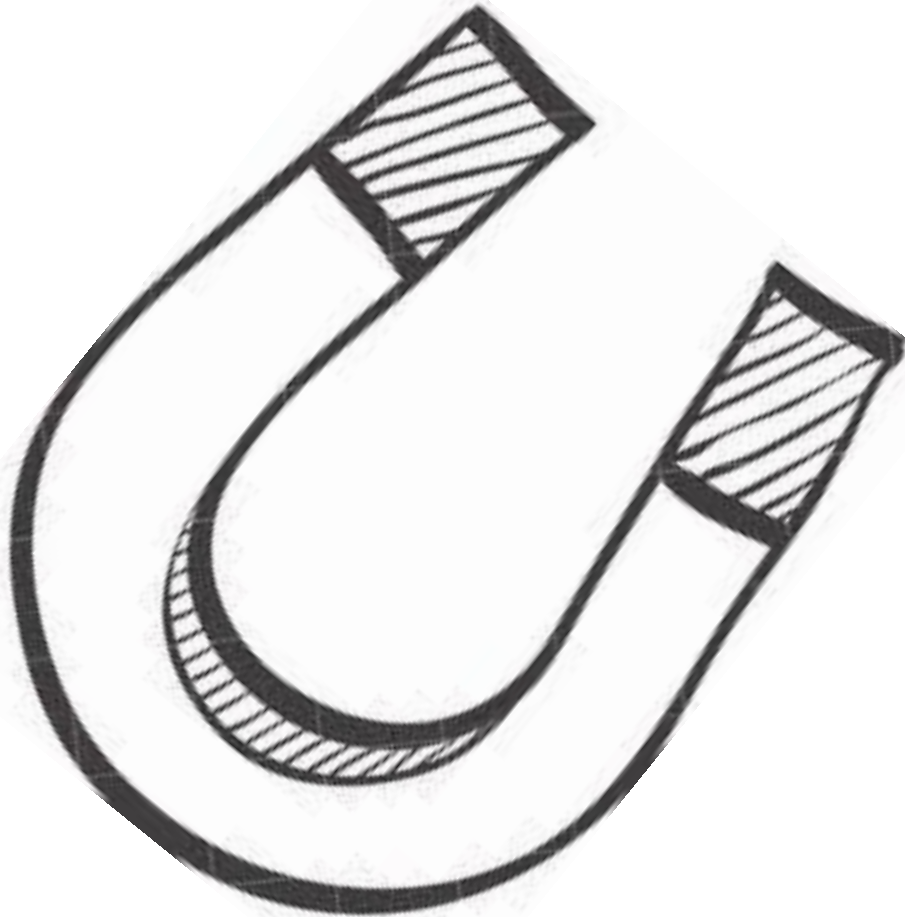

Bewegungsenergie oder „mechanische Energie“

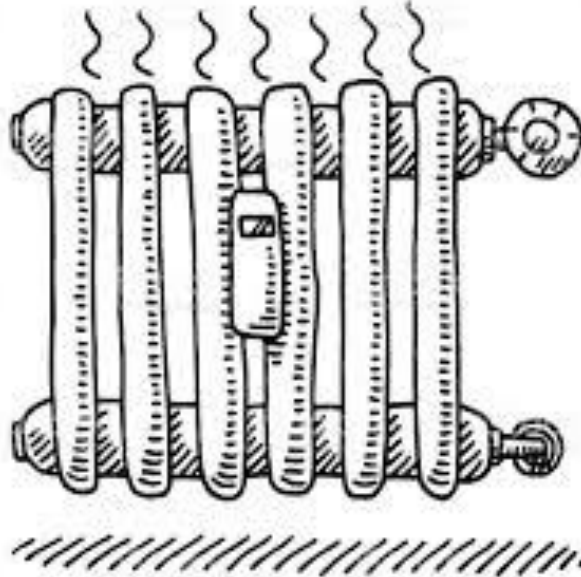

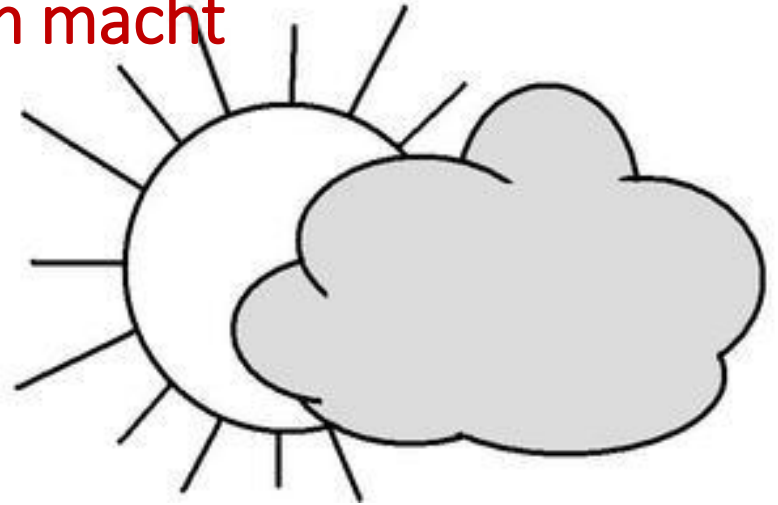

Magnetische Energie

Zieht Metall an

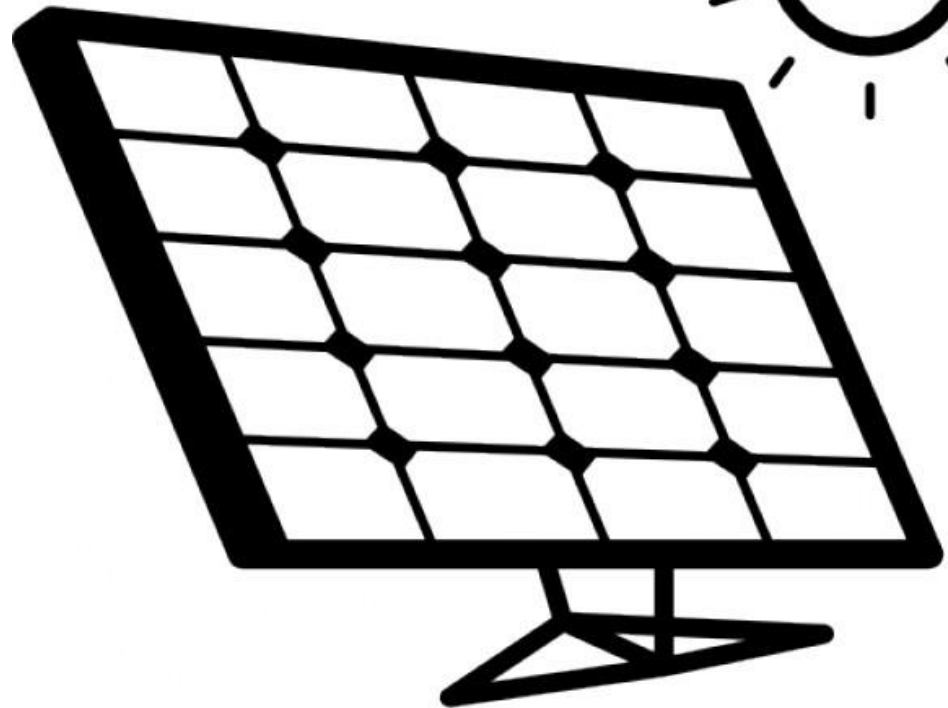

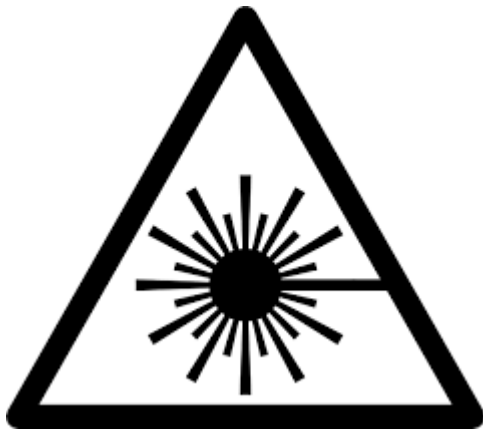

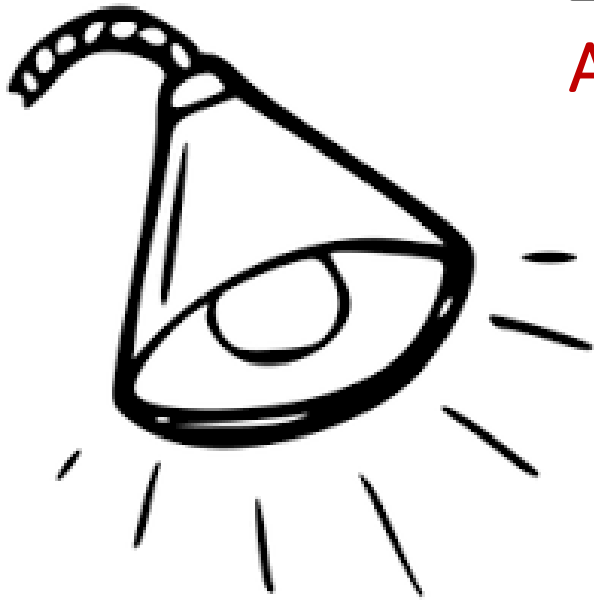

Thermische Energie

Alles, was warm macht

Lichtenergie

Alles, was leuchtet

Schallenergie

Schall ist eine Druckwelle
